Before You Travel

If you are travelling to the United States from outside the country, please ensure the following requirements are arranged before departure.

ESTA Travel Authorization

Many international visitors travelling to the United States may require ESTA (Electronic System for Travel Authorization) approval under the U.S. Visa Waiver Program.

Please ensure your ESTA (or appropriate visa) is approved before your departure date, as airlines may deny boarding without the required travel authorization.

Visa Waiver Program information: <https://travel.state.gov/content/travel/en/us-visas/tourism-visit/visa-waiver-program.html>

Apply for ESTA or check application status: <https://esta.cbp.dhs.gov>

Mobile Phone Data Plans

Wi-Fi is NOT available in the convention centre.

All attendees will require a mobile data plan to access:

- Dancer Lists, Recalls and Results
- Event updates

If travelling internationally, please contact your mobile provider before departure to arrange an appropriate data plan.

Roaming plans arranged after arrival may be significantly more expensive.

Airport Transportation

We strongly recommend using Uber or Lyft instead of a taxi from the airport, as these services are typically significantly less expensive.

Marriott Bonvoy Membership

Attendees staying at Marriott properties may wish to join the Marriott Bonvoy loyalty program prior to arrival.

Membership is free and may provide benefits such as:

- Complimentary Wi-Fi at Marriott hotels
- Late check-out (subject to availability and upon request at the front desk)

Front of House (FOH)

All pre-ordered wristbands and event programs will be collected at Front of House (FOH).

When collecting items, you must present:

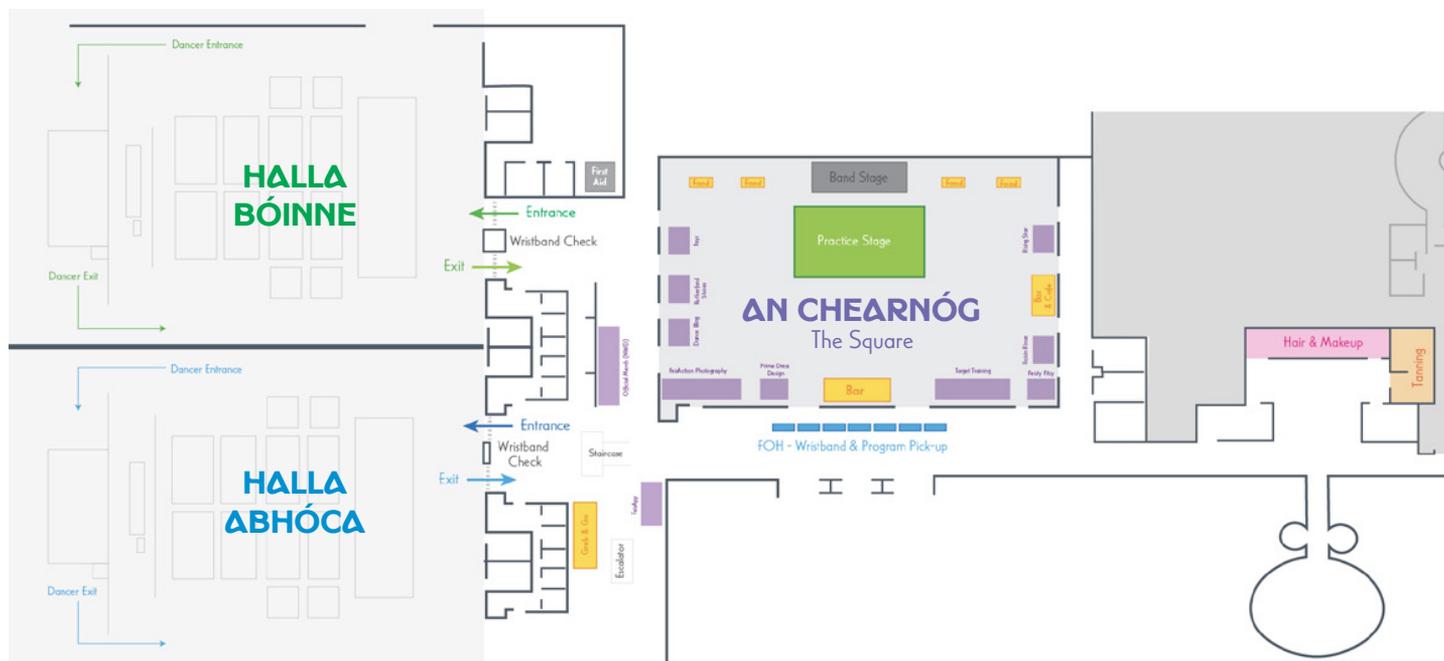

- Proof of your hotel reservation showing check-in and check-out dates
- Your 5-digit order confirmation code

The 5-digit confirmation code will be used to collect:

- Pre-ordered wristbands
- Pre-ordered event programs
- Complimentary teacher / CLRG member / lay member wristbands
- If wristbands and programs were purchased in separate transactions, you must present both confirmation codes.
- Dancers competing at Oireachtas Rince na Cruinne 2026 will collect their wristbands by providing their name and school. A confirmation code is not required.

Hotel reservations will be checked against the days you are requesting admission for all attendees (spectators, CLRG members, teachers, lay members and dancers). **Facility fee wristbands are issued at hotel check-in.** A facility fee wristband does not replace the requirement to present proof of hotel reservation when collecting General Admission wristbands.
